

BECOME A CADF CHAMPION!

AMPLIFY AUSTIN, 2026

What is a CADF Amplify Champion?

CADF Amplify Champions are individuals, offices, or teams who use their existing networks — patients, clients, colleagues, or communities — to make a personal, one-time appeal during Amplify Austin.

How? With Five Easy Steps:

- 1 **Let CADF know you're IN!**
By emailing kristen@capitalareadentalfoundation.org
She will set up your Champion Page!
- 2 **Write a note & share it via your channels**
Email list, patient list, staff network, or personal contacts — it's up to you.
- 3 **Invite and encourage generosity!**
Your message will inspire others.
- 4 **Track the fun on the Amplify leaderboard in friendly competition!**
- 5 **Share your gratitude!**
Send quick personal thanks — handwritten notes, emails, or messages — to those who give. (optional but encouraged)

Early Giving
Begins
**January 28th,
2026**

Amplify
Austin Day
**March 4-5,
2026**

Capital Area
Dental Foundation

Learn more about becoming a CADF Amplify Champion!

Why is this so important?

CADF relies on Amplify Austin every year to sustain its programming and deliver healthy smiles to Central Texans in need.

How long does it take?

In short, not long.

Writing & sending the appeal: 10 minutes

Writing thank-you notes: 1 hour (optional but recommended)

Your Impact:

For every \$1 donated, we can provide \$11 of care.

We're aiming to recruit 12 champions; if each one

generates \$5,000, that's \$60,000+ raised for CADF,

which translates into \$660,000 in patient care delivered!

Best of all: Amplify Austin is FUN!

We get to engage in friendly competition for an amazing cause! And it feels great to give back to those in need in our community.

What do Champions receive?

Recognition and appreciation on our social media

channels, fun and friendly incentives including drawings

and treats, and a CADF Champion decal to proudly display!

Get in on the action:

Email CADF Development Associate Kristen Osborn at

kristen@capitalareadentalfoundation to officially sign up!

An Example Note

From Board Member and
All-Time CADF Champion, Dr. J. Kavin Kelp

It is Amplify Austin time again and I am so proud that so many of you have supported the Capital Area Dental Foundation for many years. For nearly twenty years, we have been able to help bridge the gap by providing dental care for those living with pain or embarrassed by the appearance of their teeth with nowhere else to turn. CADF has evolved over the years and presently, our program that reaches the most people is Community Dental Days.

Teams of volunteers meet at large clinical facilities where dental assistants, hygienists, dentist and administrative volunteers team work together to treat up to hundreds of folks each time and we do this around three times per year. Our next Community Dental Day will be March 28th, 2026 at locations in both North and South Austin. We also continue to provide dental care for nominated families in conjunction with The Austin American Statesman Season for Caring program.

Amplify Austin is a day of giving for organizations throughout the greater Austin area and takes place from 6:00pm March 4th to 6:00pm March 5th. Best of all, early giving is open now!

If you are able, I would very much appreciate you consider donating to the Capital Area Dental Foundation so that we can continue to provide life-changing care. No amount is too small. Thank you for your time and consideration.

In appreciation,

J. Kavin Kelp, DDS

Testimonials

“Partnering with CADF has allowed HAAM to offer free dental care to over 500 additional members resulting in 60 appointments scheduled at CADF’s free Community Dental Days.”

Serena Cernosek
Program Services Coordinator,
Health Alliance for Austin Musicians

“The dental care that CADF donated to me was a miracle. Everyone was so kind, patient, generous, and caring at the Community Dental Day. I’m not ashamed to smile again.”

-Annie H, Community Dental Day Patient

“I am truly grateful to CADF and so happy for the blessing to get my mouth fixed. I am forever grateful and appreciative and overwhelmed by the kindness and generosity of all involved. This will be the most significant change in my entire life and will last till my time here on earth expires.

You all truly have BIG hearts!”

-Angie C, Community Dental Day Patient

“Through CADF Community Dental Days, I have gained a first-hand look at the true purpose of the dental profession, using our skills to restore health and confidence to those who need it most....This experience continues to inspire me to pursue a future where I can provide both excellent care and meaningful impact to those who need it most.”

-Justin S, Pre-Dental student

Link & QR Code to Share

✦ ✦ ✦ We will happily set up a fundraising page for you and provide you with any other materials, photos, information etc. that you'd like to share as part of becoming a CADF Amplify Champion!
Just email kristen@capitalareadentalfoundation.org with any questions or additional needs.

In the meantime, here are the basics:

The link to CADF's
Amplify Austin Donation Page:

<https://www.amplifyatx.org/organizations/capital-area-dental-foundation>

And/or a scannable
QR Code you can
also share to take
folks to the page:

*Thank
you!*
