AMPLIFY AUSTIN EARLY GIVING BEGINS TODAY!

Starting today, Amplify Austin early giving is open! A gift made now gives CADF a powerful head start—and thanks to a generous \$5,000 match from CADF Board Member Dr. Kent Macaulay, your impact goes twice as far.

Every gift you make helps Capital Area Dental Foundation transform lives with healthy smiles by expanding access to life-changing charitable dental care across our community. For every \$1 donated, we are able to deliver \$11 of care to our patients in need.

Whether you give \$5 or \$500, your generosity will make dental care more accessible for people who need it most — and that ripple effect of care starts with you.

A Patient's Story: CADF's mission in action

"I am truly grateful to CADF and so happy for the blessing to get my mouth fixed. I am forever grateful and appreciative and overwhelmed by the kindness and generosity of all involved. This will be the most significant change in my entire life and will last till my time here on earth expires. You all truly have BIG hearts!"

On December 20, 2026, more than 20 CADF volunteers spent their Saturday morning providing life-changing oral health care to families nominated by the Austin American-Statesman Season for Caring campaign. Our volunteers and patients came from all over the city with the shared mission of relieving pain and creating healthy smiles.

Thank you to all of our volunteers, the CADF board members who attended and volunteered at the event, Ivoclar for donating breakfast tacos and coffee and of course, Round Rock Dental Group for opening up their heart and their office to our Central Texas neighbors in need.
