## Inspiring Leaders Passionate Volunteers

Established in 2009 as the philanthropic arm of the Capital Area Dental Society, the Capital Area Dental Foundation provides charitable dental care to Central Texans in need. In less than three years, our organization has formed exciting new partnerships that have changed the lives of hundreds of Central Texans. *And the best is yet to come.*

The heart and soul of the CADF are our volunteers, donors and community partners. You make our work possible. We invite you to learn more about what we are doing to bring smiles to hundreds of Central Texans in need.

## Breaking Barriers Changing Lives

The Capital Area Dental Foundation is an organization founded and run by dentists. We do everything we can to make volunteering simple and rewarding. When you volunteer with the Capital Area Dental Foundation, we work with you to find the program that best suits your interests and schedule.

**You decide: volunteer in your office or in a school.**  
**Let us do the rest. It's that easy.**

### VOLUNTEER IN YOUR OFFICE

**Central Health** | New in 2011, our partnership with Central Health (formerly the Travis County Health District) serves low-income residents in Travis County who are not eligible for other private or public insurance programs.

**Donated Dental Services (DDS)** | DDS is a nationally acclaimed program that provides comprehensive dental care for disabled adults or adults 55 or over with serious dental issues. In 2011, 50 volunteer dentists served more than 75 patients, up from 75 in 2010.

**Health Alliance for Austin Musicians (HAAM)** | CADF dentists provide basic dental services to uninsured, professional musicians in the Austin-area through HAAM and a partnership with St. David's Foundation.

**St. Vincent de Paul** | In 2011, CADF dentists provided emergency dental care to 40 low-income Central Texans with no other source of dental care through our new partnership with St. Vincent de Paul.

### VOLUNTEER IN A SCHOOL

**Doctors on Campus (DOCS)** | DOCS gives local dentists the opportunity to visit underserved elementary schools and educate students about oral health. Volunteers receive all training materials and goodie bags for the children.

## Building Partnerships for the Future

A key to success for any charitable organization is to build new partnerships and nurture existing ones. Over the past three years, the CADF has done just that.

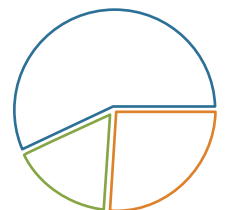

Although much of our funding comes from Capital Area dentists, we are proud and grateful for the financial support of several highly respected foundations, including the St. David's Foundation, the RGK Foundation and the Austin Community Foundation.

Dear Doctor,

*My heart is overwhelmed....  
Thanks to you and your staff  
I am able to smile, laugh out  
loud and most of all hold my  
head up high.*

— CADF PATIENT

*The CADF serves Bastrop, Hays, Lee,  
Travis and Williamson counties.*

Dear CADF,

I just wanted to take a moment and thank each of you for helping me obtain the donated dental services that I had been needing for many years, but could not afford. There are not enough words to express my sincere gratitude.

— CADF PATIENT

Dear Friends,  
You do so much for so many. From the bottom of my heart, I thank you. I can now smile wide and eat and laugh!

— CADF PATIENT

# We can't be **YOUR** Foundation without **YOU!**

A special thanks to all our supporters, including DOCs volunteers and individual donors who make the work of the CADF possible.
