CONNECTING CENTRAL TEXAS TO HEALTHY SMILES

For nearly 20 years, CADF has transformed lives by connecting volunteer dentists with individuals in our community who need essential oral health care.

Through programs like Community Dental Days and Season for Caring, CADF delivers life-changing care that restores both health and confidence.

COMMUNITY DENTAL DAYS

Delivering essential dental care through local partnerships and volunteer dentists.

SEASON FOR CARING

Since 2011, CADF has been a partner for the Austin American-Statesman Season for Caring campaign during the holiday season.

CADF volunteers have delivered more than \$250,000 in life-changing charitable dental care to families nominated to participate in the Season for Caring program.

For every \$1 donated to CADF, we can deliver \$11 in care.
