# BOARD MEMBER Spotlight

Welcome,  
**LAURA  
DIAMOND!**

She's our newest **Board Member** and  
newest **Sustainer's Circle** member!

“

*"I support CADF because I believe that everyone in our community should have access to healthcare. I've seen CADF's mission in action firsthand at the Community Dental Day program and I'm honored to support the dentists and dental community members who give of themselves so generously to help others. Finances should never be a barrier to receiving healthcare, and by supporting CADF, I'm helping increase access for those in need. That feels amazing."*
