## A MESSAGE FROM OUR CHAIR

The COVID-19 pandemic may have pushed the pause button on CADF's charitable care programs, but it hasn't stopped the organization's deep commitment to charitable dental care. In fact, the CADF Board of Directors is more committed than ever to achieving CADF's mission of transforming lives through healthy smiles.

With the support of donors like you, CADF has successfully navigated the pandemic and continues to operate, albeit on a smaller scale. During the height of the pandemic, CADF's committed dental volunteers continued to care for dozens of patients through our longstanding partnership with the Austin American-Statesman Season for Caring program. And as we look ahead in 2022, CADF plans to resume its signature Community Dental Days, which have delivered over \$220,000 in charitable dental care to more than 550 Central Texans since 2017.

Thank you for supporting CADF these past two years. We're excited to look ahead and get back to what we do so well.

With appreciation,

Lyda Creus Molanphy

### MISSION STATEMENT

The Capital Area Dental Foundation transforms lives in Central Texas with healthy smiles by offering life-changing access to charitable dental care. We achieve our mission by forming strategic partnerships and developing programs that connect volunteer dentists with people in the community who need dental care the most.

## COMMUNITY DENTAL DAY

Several times per year, CADF organizes Community Dental Days to offer charitable dental care to Central Texans in need. These events are typically held on a Saturday in private dental offices in one or more locations across the city. The host offices not only provide the physical space for dental volunteers to treat patients, they often provide front office and clinical support staff such as hygienists and dental assistants.

In 2019, CADF held two Community Dental Days, one in June and another in November. Since the onset of the COVID-19 pandemic in March 2020, CADF has paused its Community Dental Program, however, plans are in the work to relaunch the program in 2022 with safety protocols.

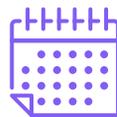

Our Community Dental Days are game-changers for persons who can't afford dental care. With your help, CADF volunteers can continue to relieve pain, restore dignity and instill hope in those that need it most. If you are interested in hosting an event at your office or volunteering your time and expertise, please email Amy Spiro at [aspiro40@gmail.com](mailto:aspiro40@gmail.com).

## SEASON FOR CARING

CADF has been a proud partner with the Statesman Season for Caring program since 2011. For more than a decade, volunteer dentists have donated \$180,000 in charitable dental care to children and adults nominated by local nonprofits.

Despite the disruption caused by the COVID-19 pandemic, CADF dentists proudly participated in the 2020 and 2021 Statesman Season for Caring campaign helping provide dental care to dozens of families in need. If you are interested in being a dental volunteer with CADF, please contact Kent Macaulay at [kentmacaulay@gmail.com](mailto:kentmacaulay@gmail.com).

# HOW YOU CAN SUPPORT CADF

As a small nonprofit, CADF has faced its share of financial hardship during the pandemic. However, CADF has survived because of the generosity and loyalty of its supporters and the unwavering commitment of its board of directors. You can currently support CADF in one of three ways:

- 1 Donate to CADF during Amplify Austin on March 2 and 3, 2022.
- 2 Make a one-time donation at [www.capitalareadentalfoundation.org/donate](http://www.capitalareadentalfoundation.org/donate).
- 3 Join the Sustainer's Circle at [www.capitalareadentalfoundation.org/donate](http://www.capitalareadentalfoundation.org/donate) or email Amy Spiro at [aspiro40@gmail.com](mailto:aspiro40@gmail.com) to learn more.

Sustainer's Circle is a monthly giving program that empowers donors to make a maximum impact on charitable dentistry with minimal effort. The Sustainer's Circle donors make monthly contributions that provide critical and dependable support for CADF. This extraordinary generosity helps secure the Foundation's future and ensures we can meet the growing needs of our community.
